

A Kaospilot program supported by Startup Aarhus

# Emerging Leaders Program

## Are you ready to level up your leadership – personally and professionally.

Emerging Leaders program is a hands-on, practical program for young leaders, hosted by Kaospilots in collaboration with StartUp Aarhus. Build the skills, mindset, and network to become a courageous, balanced, and future-ready leader.

### Who Should Apply?

- New leaders with 0–2 years of experience, or
- Emerging leadership talents who aspire to grow into leadership roles.

Admission via application & brief interview

### Program at a Glance

- Kick-off (1-day residential): Set goals, build trust, connect with peers
- 8 interactive modules (3h each): From authentic leadership to decision-making,

creative leadership, and personal sustainability

- Closing Day (residential): Reflect, plan next steps, and strengthen your network
- Optional individual coaching

### What You'll Gain

- Greater self-awareness & leadership confidence
- Tools for communication, feedback & decision-making
- Skills to navigate change and complexity
- A strong professional network
- A personal growth plan

### Blended: format: in-person & residential
